Dine & Shine for The Bay Lights

MARCH 1-31, 2014

Eat and Drink for a Brilliant Cause

Without strong and immediate support, **THE BAY LIGHTS** goes dark forever in March 2015. Dine & Shine for **THE BAY LIGHTS** March 1-31 at Americano Restaurant & Bar, Chaya Brasserie, Coqueta, Epic Roasthouse, MarketBar, Palomino, Perry's, Waterbar, Waterfront Restaurant, Hotel Vitale and the Ferry Building helps raise vital funds needed to keep **THE BAY LIGHTS** lit through 2026.

WHAT IS DINE & SHINE?

In honor of **THE BAY LIGHTS** First Anniversary, San Francisco waterfront restaurants and hotels with amazing views of **THE BAY LIGHTS** have generously agreed to donate a portion of their proceeds throughout March. Each is providing tantalizing specials inspired by **THE BAY LIGHTS** for patrons to indulge in again and again, with a percentage of each purchase supporting Illuminate the Arts' "\$12M Will Keep 'Em Lit Through 2026" fundraising campaign.

HOW DO YOU PARTICIPATE?

Enjoy festive artisan cocktails and amazing 2-course and 3-course Chef-inspired menus, all within view of **THE BAY LIGHTS** magic! Ask about March Dine & Shine specials when calling or visiting participating restaurants and hotels. Reservations are recommended. See an interactive map listing Dine & Shine special offers, **THE BAY LIGHTS** First Anniversary Festivities and Keep 'Em Lit campaign details at thebaylights.org/anniversary.

Keep **THE BAY LIGHTS** Lit Through 2026

Created with more than 25,000 LED lights on the Willie Brown Jr. San Francisco Bay Bridge, **THE BAY LIGHTS** by artist Leo Villareal is the world's largest LED light sculpture. Since its lighting on March 5, 2013, this privately funded, public work of art has increased civic pride and focused international attention on the Bay Area's widespread artistic contributions and technology innovations. First Anniversary Festivities including Dine & Shine for **THE BAY LIGHTS** help raise vital funds needed to keep this iconic two-year installation shining through 2026.
